VIP Lounge owners thankful for beer garden

On behalf of the owners of the VIP Lounge, we would like to say that we were extremely proud to be a small part of the Homestead Days Celebration. The amount of work, time, and effort that the organizers of this week long/city wide event put into making this event the success it was is truly remarkable and they all deserve our thanks.

We would also like to extend our thanks to Main Street - Beatrice for all of their efforts and allowing us to be a part of all of their Thursday evening events. We believe that the activities covered all ages and it

made coming down to downtown Beatrice one of the best Thursday night's ever.

Further more, we would like to thank the following for their assistance, cooperation, and guidance in helping to make our Thursday night's event a success because we could not have done it with out them:

- Beatrice City Council
- Beatrice Board of Public Works
- Beatrice Public Properties
- Beatrice Police Department
- Main Street - Beatrice
- Homestead Days Committee
- Schmitt's Clothing
- Encore Mfg.

Last but not least, we would like to extend our thanks to all in attendance. We thank you for your coming and we hope you all had a great time!

From the beginning, we understood that a beer garden with a band on a city street is somewhat new to our community and when we were given permission to move forward, we did not take this responsibility lightly.

We knew the event had to be entertaining, but we also knew it had to be professionally done in a safe and secure environment. We believe that we accomplished this on every level.

We thank you all and we hope that we can continue to make a contribution to this city and future celebrations for years to come.
